EXAMINATION COMMITTEE
Session 2025-26

The Examination Committee is constituted to ensure the smooth, transparent, and efficient conduct of all internal and external examinations in accordance with university and institutional guidelines. The committee is responsible for preparing examination schedules, coordinating question paper setting and evaluation processes, maintaining confidentiality, and ensuring adherence to examination norms. It also oversees result compilation, grievance redressal related to examinations, and the implementation of fair and ethical practices, thereby upholding the integrity and credibility of the examination system.
